Good Afternoon,

Happy New Year! I hope you both had wonderful (and relaxing) holidays!

In one of our prior meetings, we briefly touched on some of the information that is collected and/or presented at your council meetings. I understand you have a committee meeting tonight to discuss your Flock usage/audit. Are you willing to share a copy of the data that will be presented at the meeting? Do you also cover successes/metrics in these meetings or strictly present agency usage?

Thank you for your dedication to our partnership.

Best,

Heather
