Good Afternoon,

Apologies if you have been receiving more emails than normal from me and my team lately. I wanted to bump one in particular, in case it got buried: the Flock Impact Census survey. You should have received an email over the last few weeks titled "Invitation: 2025 Flock Impact Census."

In short, we're asking agencies to participate in the survey so we can quantify outcomes like arrests, recoveries, and case support. We use this data to support your success reporting, council conversations, and renewals.

I'm reaching out to quickly note that 1. the email is legitimate and from a member of the Flock team and 2. notify you that if you do not see it in your inbox, the emails will be resent on Monday with the survey link. Keep in mind the survey closes on April 7th.

Thanks for all you do!

Heather
