Good Afternoon All,

Constance, thank you again for taking my call today and walking me through your process. I've attached a copy of the proposed locations for your reference and visibility.

I'll follow up with you next week to finalize everything before moving forward with installation. I'm looking forward to working together to help make your community a safer place. If you need anything in the meantime, please don't hesitate to reach out. I'm happy to help.

All the best,

Shani

Subject: BPD Flock Phase 2 Plan

Good afternoon Shani.

Thank you for your call this afternoon and offer to forward the phase 2 plans. Please ensure to copy the team on your email.

I understood your role is to obtain the encroachment permits for the Town of Bluffton and Beaufort County. Once the Chief and Capt. Fazekas decide on the phase 2 locations during the meeting next week, that will serve as Bluffton's direction and permission to place the equipment on any selected property owned by the Town of Bluffton. You won't need any additional paperwork for Bluffton.

Please let me know if you have any other questions. Thank you.
