All,

I wanted to take a moment to say thank you once again for allowing me the opportunity to show you our demo. I look forward to our next meeting on the 27th.

In the meantime, I wanted to make sure you had some preliminary numbers between now and then; in case you needed to submit something for the budget before our next meeting. This is quoted high and reflects all cameras being installed at SCDOT locations. Once we meet and determine exactly where the cameras will be placed, I will be able to revise any install fees accordingly which could save you money.

Please let me know if you have any questions, and I look forward to meeting with you all again on the 27th.

Thanks,
Taylor Ellison
