Chief Babkiewicz,

Please see the link below to your locations. They will ultimately need your approval as well.

Once your review is complete, please approve the locations by entering your name in the designated box, and clicking the "Approve" button once for each location.

Once this is done and the contract has been signed, I will be able to process your order.

Give me a call if you have any questions.

Thanks,

Chief Babkiewicz and Felicia,

I wanted to touch base since we are nearing the council date to approve Flock. When would you like me to route the contract over to the town manager for signature?

If there is anything else needed from me to prepare for council please let me know.

Thanks and have a great weekend,

Taylor Ellison
